ANNOUNCER (V.O.): More and more ulcer sufferers are leaving doctor's offices much happier than when they got there.

U.S. #1 (O.C.): Yes! An infection!

U.S. #2 (O.C.): I have an infection!

U.S. #3 (O.C.): Thanks, doc. I needed this infection!

ANNOUNCER (V.O.): People who thought they had to suffer through life with an ulcer are finding out their ulcer is caused by an infection--that's curable.

U.S. #4 (O.C.): Honey, I'm home... and I have an infection!

ANNOUNCER (V.O.): If you think you have an ulcer ask your doctor if it's caused by an infection.

WIFE (O.C.): I told you it wasn't my cooking!

Don't just control your ulcer.

Cure it.

ANNOUNCER/NEWSCASTER (V.O.): No need to live with your ulcer. Now that you can cure it.
