"It doesn't feel good."

"It spoils the mood."

"You won't catch anything from me."

"It takes too long."

"Just this once."

- When I feel safer, I go wild.
- AIDS feels worse.
- I'd feel better.
- Just wait.

Condom Comebacks.

What to say when your partner doesn't want to use a condom.

It doesn't matter how you say it. Just use a condom every time. For more information, call the AIDS hotline: In Southern California, 1-800-922-2437 (TDD 1-800-553-2437), or in Northern California 1-800-367-2437 (TDD 415-864-6606).
