PART 6. CERTIFICATION OF ACCURACY OF INFORMATION PROVIDED

I am aware that this program is supported by funding from the United States Government and, therefore, is subject to Federal law regarding false statements and fraud, particularly the criminal provisions of 18 U.S. Code Section 1001.

The information requested on the application materials will be used in connection with the selection of qualified applicants and may be disclosed to qualified reviewers, and DHS and ORISE staff as part of the review and selection process; to the institution the applicant is attending or is planning to attend or is employed by for the purpose of facilitating review or award decisions, or administering the awards; to government contractors, experts, volunteers and researchers and educators as necessary to complete assigned work; to other government agencies needing data regarding applicants or as part of the review process, or in order to coordinate programs; and to another Federal agency, court or party in a court or Federal administrative proceeding if the government is a party. Information from this system of records may be merged with other computer files to carry out statistical studies the results of which do not identify individuals. Disclosure may be made of awardees' names, home institutions, and fields of study for public information purposes.

This application will be copied and used solely for the purpose of selecting participants and administering the Program. Disclosure of the information is subject to Public Law 93-579 (Privacy Act of 1974) and Department of Homeland Security regulations.

By signing below, I certify, under penalty of law, that the submitted application contains no false or fraudulent representations, statements, or entries. I further certify that, to the best of my knowledge, all information contained in this application is accurate. I understand that any falsification will render me ineligible for participation and, if found after participation has begun, may require me to reimburse any funds received.
