

Critical Infrastructure Sectors

- Agriculture and Food
- Defense Industrial Base
- Energy
- Public Health and Healthcare
- National Monuments and Icons
- Banking and Finance
- Telecommunications
- Government Facilities
- Drinking Water and Water Treatment
- Chemical
- Commercial Facilities
- Dams
- Emergency Services
- Nuclear
- Information Technology
- Postal and Shipping
- Transportation

Critical Infrastructure R&D Priorities

- **Underwater Tunnels**
- **Dams, Embankment** and Concrete
- Aqueducts
- LNG/LPG sites
- Chemical, petrochemical and pharmaceutical plants
- Ports
- **Levees**
- Cross-Sector Co-located Groups
- Pipelines
- Telcom Hubs
- Nuclear Power Plants
- **Bridges**

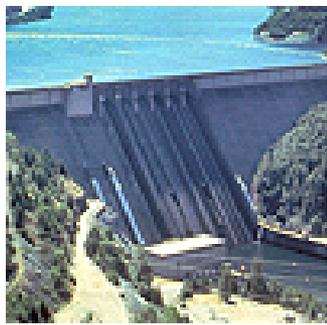

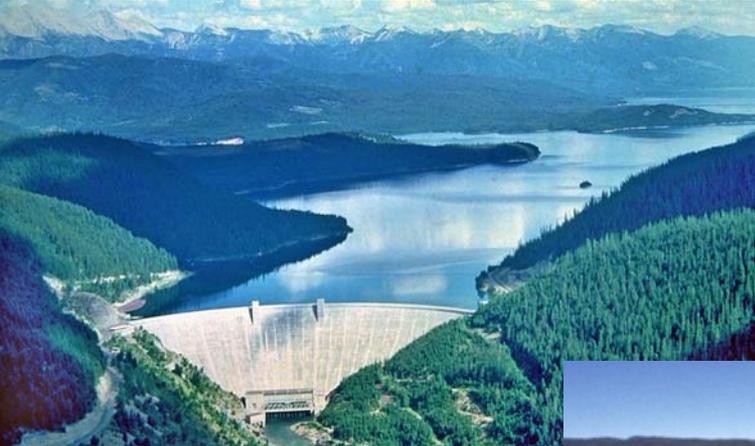

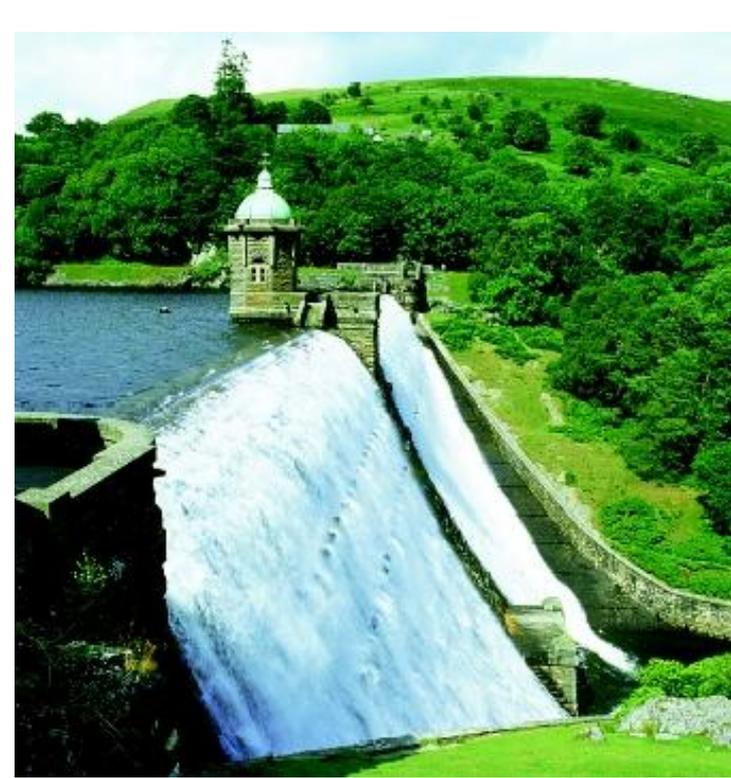

Bridges

Tunnels

Dams
