

This pamphlet has information that may help you get your heart, blood pressure, diabetes and cholesterol medications at a reduced cost. It provides a list of prescription medications and the companies that offer drug assistance programs. To use this pamphlet, find your medication on the list. Using the letter listed to the right of the medication, find the company name and contact information in the list of manufacturers at the bottom of the page. Call the number listed to find out more information regarding their drug assistance program.

If you are age 60 or over,
you may qualify for
SeniorRx, a program of
the Alabama department
of Senior Services.
