NEXT STEPS:

GOAL – 1: Implement an objective/strategy from each section of the WI Stroke Plan for year 2005-2006.

GOAL - 2: Continue to recruit new members/organizations to the WI Stroke Committee.

GOAL - 3: Keep the momentum going to establish Stroke Systems of Care throughout Wisconsin from Prevention – EMS/ED – Acute/Secondary Treatment – to Rehabilitation. Follow on the established Trauma Systems of Care in Wisconsin.

GOAL - 4: Next meeting of the WI Stroke Committee will be November 3, 2005.

GOAL - 5: Work on GLRSN goal of Public Education.
