

### **Partnerships/Resources**

Use this worksheet to determine the partnerships and resources necessary to establish a cardiovascular health collaborative.

#### **Questions to ask yourself:**

1. With whom will we partner?

---

---

---

---

2. What roles will the partners play?

---

---

---

---

3. How will we pay for it?

---

---

---

### **Marketing/Recruitment**

Use this worksheet to determine the marketing and recruitment strategies necessary to establish a cardiovascular health collaborative.

#### **Questions to ask yourself:**

1. How will we charge or sponsor the teams?

---

---

---

---

2. How many teams will we recruit?

---

---

---

---

3. Who will come to the learning sessions?

---

---

---

---

### **Faculty and Staffing**

Use this worksheet to determine the faculty/staffing necessary to train the cardiovascular health collaborative teams.

#### **Questions to ask yourself:**

1. Who will do the training?

---

---

---

2. How much staff do you need?

---

---

---

3. What roles will each person play?

---

---

---

### **Measures/Tracking Methods**

Use this worksheet to determine the measures/tracking methods necessary to demonstrate that the cardiovascular health collaborative has accomplished its goals.

#### **Questions to ask yourself:**

1. What data is being collected now that could show you are meeting the goal?

---

---

---

2. What additional data will you need to collect to show you are meeting the goal?

---

---

---

3. How will you collect it?

---

---

---

4. What reports will you need to produce?

---

---

---

**Sustainability Worksheet**

Use this worksheet to determine the resources needed to sustain the cardiovascular health care collaborative over its lifetime.

**Questions to ask yourself:**

- 1. Where will the collaborative be after Year 1?

---

---

---

---

---

- 2. What is your role as a state health department in keeping the collaborative going?

---

---

---

---

---

- 3. Is your goal to simply maintain the status quo or to grow the collaborative?

---

---

---

---

---
