

Tom Badgett
Chief Information Officer, Co-Founder, and Secretary of the Board
IdleAire Technologies Corporation

In addition to general corporate duties, Mr. Badgett manages IdleAire's software development, Information Technology, and Customer Care departments. Prior to joining IdleAire, he was co-founder, Chief Information Officer, and Board Secretary of United States Internet, Inc. (USIT), where his duties included press relations, corporate communications, and technical strategies. He designed, implemented, and managed USIT's technical support division (helpdesk and customer service).

Mr. Badgett is a prolific writer, having published more than 50 books and hundreds of magazine articles for major U.S. and international publishers on technical topics from computer software to computer communications and security. He also has produced some 30 instructional videos and interactive DVD programs on similar topics, also marketed internationally.

He holds a B.A. in Language and an M.A. in Documentary Film from the University of Tennessee.
