Office of Price-Anderson Enforcement

November 2001

Preface

The Price-Anderson Amendments Act training package is designed for use by an experienced instructor with expertise in the Price-Anderson Amendments Act. Effective use of the training package requires supplementing its basic content with examples and site-specific information. The materials in the training package are **not** sufficient for use as self-study materials by students on their own.

Training Package Contents:

- Price-Anderson Amendments Act - Instructor Notes
- Handouts
 - Price-Anderson Amendments Act - Participant Notes
 - PAAA Training Objectives and Overview
 - The PAAA Organization Chart (supplemental information for Key Roles and Responsibilities slide)
 - CFR Descriptions (supplemental information for the Rules and Regulations slide)
 - Table of Noncompliance Involving DOE Manual M-232 1A Occurrences (supplemental information for Unusual Occurrences slide)
 - Illustration of Noncompliance Reporting Process (supplemental information for Potential Noncompliance Reporting topic)
