

- 155 Attendees
- SciDAC-3 PM Intros
- 30-min SciDAC-3 PI Talks
- Progress & Highlights
- 65 Posters
- Working Lunches:
AURORA @ ALCF
SUMMIT @ OLCF

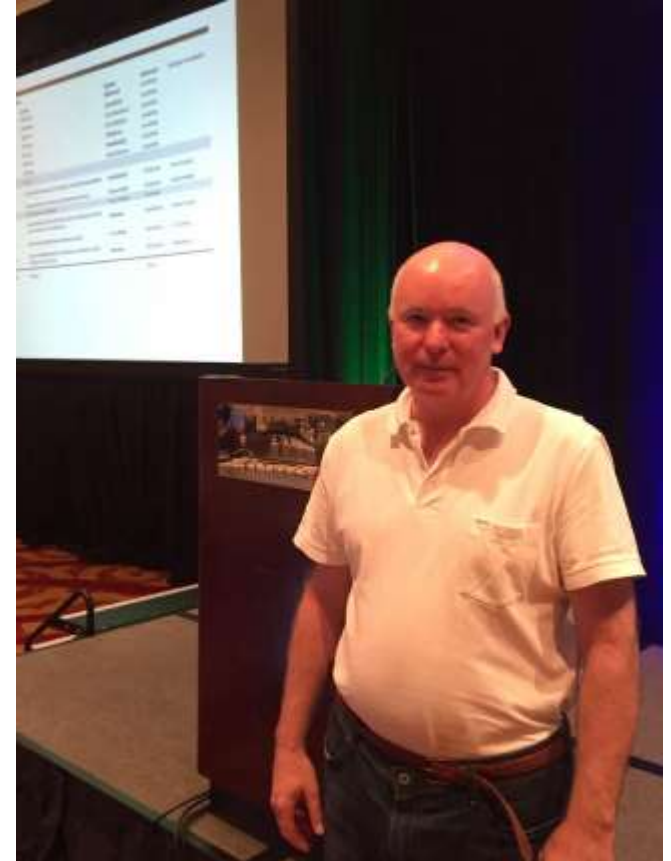

- ❑ SciDAC remains the gold standard for fostering interaction between disciplinary scientists and HPC. The PMs are to be commended on continuing the excellence of the SciDAC “brand.”
- ❑ Informal conversations of the reviewers with overseas colleagues indicate that SciDAC is seen as a model program, which they wish could be replicated in their home countries.

U.S. DEPARTMENT OF ENERGY SciDAC Institutes - Acknowledgments

Arie Shoshani (LBNL) - SDAV
Scalable Data Management, Analysis,
and Visualization

Bob Lucas (USC) - SUPER
Institute for Sustained Performance,
Energy, and Resilience

SciDAC Program Managers

- Ted Barnes (NP)
- Lali Chatterjee (HEP)
- Jim Davenport (BES)
- Dorothy Koch (BER)
- Randall Laviolette (ASCR)
- Steven Lee (ASCR)
- John Mandrekas (FES)
- Mark Pederson (BES)
- Ceren Susut (ASCR)
