

Day Two Quiz

Conduct of Operations Course

Day Two Quiz

Time Required: 45 minutes

Reference: (a) DOE 5480.19, Conduct of Operations Order

Objectives: Using questions selected from the course exam bank:

1. Determine student comprehension and retention of learning objectives for the lessons provided during day one and day two.

Day Two Quiz

Instructor Notes:

1. Choose 10 questions from the exam bank related to learning objectives from the lessons given on day one and day two.
2. Provide students with a copy of the quiz, tell them that they have 45 minutes to complete the quiz (closed book).
3. Inform students that the quiz is not for a grade, and that it is only to assess their level of knowledge and the effectiveness of instruction.
4. Grade the quizzes prior to class on the third day and conduct a review the morning of the third day.
