Course Name: PMCDP – LEADERSHIP THROUGH EFFECTIVE COMMUNICATION

Course Number: 002366

Session Number: 0005

Description: This course is a three-day, highly interactive session focused on developing powerful communication skills to lead people and manage projects. Beginning with a focus on personal preference in learning, motivation, interaction, linguistics and conflict management, the session moves into working with others. This transition builds on skill-based lessons in neutral listening, giving and receiving feedback and appropriate decision-making styles. These segments establish a practical and effective toolkit for communicating in a project-focused environment.

Audience: DOE Federal employees (Project Directors and candidates will have priority)
