Course Name: PMCDP – STRATEGIC PLANNING

Course Number: 001043

Session Number: 0004

Description: This course is an elective for Level 4 certification in the Project Management Career Development Program (PMCDP). Participants will be introduced to theories and techniques to improve productivity, formulate and implement a planning process, and make better strategic decisions. They will be shown how to make decisions based on strategic plans that give specific direction yet remain flexible enough to respond to changing conditions.

Audience: Level 4 Federal project directors, prospective project directors, and integrated project team members. Attendees should have a minimum of eight years of experience in project management and should currently work in a project management position on a project with a total project cost of at least 400 million dollars. The course may be beneficial to other PMCDP participants or to DOE staff engaged in strategic planning.
