

TO: Exercise Director

SUBJECT: **EXERCISE SCENARIO SECURITY**

To ensure the security of sensitive scenario information and data developed for the Y-12 National Security Complex Full Participation Exercise and associated precursor exercises, I, _____ will ensure that the information I develop or receive as a planner and/or receive as a controller, evaluator, or an observer will not be divulged to any responder or responding organization which would compromise, or potentially compromise the integrity of any of the exercises.

All information contained in the exercise package or supporting documentation is considered to be SENSITIVE information. Any exercise related material or documentation issued to you must be safeguarded and treated as "Exercise Sensitive".
