

The Online Town Hall will take place on July 31, 2015 (Friday) via Zoom. Please dial into <https://uiowa.zoom.us/j/7434804758> (Fred Skiff is the official host)

If you need to call in by phone, the number is 1 (415) 762-9988 or 1 (646) 568 7788

The meeting ID is the same as on the link: 743 480 4758

Every speaker gets 15 minutes to talk, plus 5 minutes are allocated for questions by the panel

Meeting Schedule (all times are Central Time):

1-1:20pm Dmitri Kaganovich (NRL): “Toward Compact Synchrotron Light Source Based on Extended Interaction of Laser-Plasma Accelerated Electrons with Backscattered Raman Radiation”

1:20-1:40pm Sven Steinke (LBNL): “Laser-matter interaction and ion acceleration with PW laser pulses”

1:40-2pm Peter Seidl (LBNL): “The Plasma Physics of Neutralized and Non-neutral Intense Ion Beams”

2pm-2:20pm Virtual Coffee Break

2:20-2:40pm Tilo Doepfner (LLNL): “Resolving collective electron dynamics in nanoplasmas with time resolution of 1 femtosecond”

2:40-3pm Szymon Suckewer (Princeton): “Toward Improving Efficiency of Large Diameter Fsec SRBS Amplifier in Plasma”

3-3:20pm Stepan Bulanov (Berkeley): “High Intensity Laser Matter Interaction”

3:20-3:30pm Brief discussion among panel members
