

Suggested Resources for Discovering Potential Host Institutions

You are responsible for identifying and securing a Host Institution and mentor. This list can assist in your search of securing a host. Host Institutions are expected to commit to providing a mentor for you, as well as workspace, equipment and resources needed for you to conduct your research. Detailed expectations are provided to “Innovators” at the start of the appointment period. If you have any questions, please contact ORISE at DOE-RPP@orise.orau.gov.
